The National Alpha Beta Kappa Honor Society was officially established in 1977. The purpose of the society is to help schools, colleges, institutes, and their students and alumni, through the encouragement and recognition of superior academic work and shop, studio, and laboratory training in honorable fields of endeavor. The Alpha Beta Kappa National Honor Society seeks to promote and reward personal integrity and excellence in mental and physical work and skills without regard to race, color, sex, creed or national origin. Membership is based on merit.

The qualifications for membership are: excellence in classroom, shop, studio, and laboratory work; leadership and service in class and school activities; and personal integrity and good moral character. All members must have a minimum G.P.A of 3.5 and less than 10% absenteeism.

Each member receives a personalized Certificate of Membership and the Alpha Beta Kappa Gold Key of Distinction. Professionally die-struck, sandblasted and polished, each Gold Key bears the Greek letters A.B.K., a five-pointed star, laurel branches, and two of the finest words in any language -- Integrity and Excellence. In addition, each outstanding graduate receives a special narrative about the Honor Society and a personal letter of congratulations from the President of Alpha Beta Kappa.
